As of 01/12/09

All chemicals are available for immediate redistribution to University laboratories and affiliated researchers. Everything is free and is delivered on a first come - first served basis. Orders may be placed with Jeff Christensen by phone (621-5861), by e-mail (hazmat@email.arizona.edu), by fax (626-4925), or by campus mail (Dept. of Risk Mgmt. & Safety, P.O. Box 210300). In any case, the following information is needed to complete the order: full chemical name, size, number of items, requestor's name, department, campus phone, and delivery location including room number.

Thank you for participating in the University of Arizona's efforts to minimize our hazardous waste and reduce laboratory costs through this clearinghouse.
